Agenda Item: Discuss Opportunities and Direction for Official Holiday Designation

Background: In hopes to elevate our positioning as an official Holiday destination, we would like to explore attaining a Texas State Legislative backed title for Galveston Island. We have seen a similar approach taken by other cities in Texas. Some of these include Grapevine – The Christmas Capital of Texas, San Angelo – Visual Arts Capital of Texas, City of Roanoke – Unique Dining Capital of Texas, Buda – Outdoor Capital of Texas, Canyon Lake – Water Recreation Capital of Texas...and so on. For discussion today we would like to establish what that title should be as we work to capture it for the Island during the upcoming legislative year and start to build future promotions and advertising around it. For the State designation we will be working with our Legislative Advocacy firm in Austin, Ryan Brannan, Principal at The Brannan Firm.

We would like for you to bring your thoughts and ideas to the discussion. What “you name it” Capital of Texas would you for us to become to lift the holiday season on Galveston Island.

Some initial thoughts:

Winter Wonder Island Capital of Texas

Holiday Island Capital of Texas

Discuss and Consider TDACs Recommendation to the Board for Alternative to July 4th Fireworks :

On Wednesday, November 17th, the following ideas were generated by members of the Tourism Development Advisory Committee (TDAC). These were established to respond to a request from the Park Board of Trustees, offering a July 4th alternative to traditional fireworks should the Park Board of Trustees decide to forego fireworks in 2022.

For Board consideration, TDAC recommends proceeding with a traditional fireworks display. This comes with the additional commitment to fund clean-up initiatives through contract resources the night of the fireworks display and for two days following the show to ensure that all potential debris is collected and properly disposed of.

Ideas For Consideration:

Fireworks Alternative for July 4th

July 4th Laser Show - \$34,250

Should the Board decide to not host traditional fireworks, the Committee recommends replacing that with a Laser Light Show positioned on the seawall. The company will provide four 30w air cooled YAG lasers, four haze machines and four 40' high inflatable screen. The 30w YAG projectors have the ability to project aerial patterns into the sky (FAA approval required) and target specific bounce mirrors that will allow us to direct the green beams in the opposite direction viewable the entire length of the Sea Wall. We will build a goal-post arrangement around each laser position to hold mirrors that will direct the beams to the rear of the projector. A total of four haze machines will generate a safe non-toxic smoke in the air. Smoke machines will be positioned throughout the performance area to help enhance the laser aerial patterns.

In addition, TDAC is recommending the exploration of various activations to extend the holiday celebration - \$65,750 (not to exceed)

The City of Galveston has named the two-week run between Juneteenth and July 4th as Freedom Days, and we will lift-up that theme or a variation of that theme for this promotion. The activities will either be ongoing and hosted throughout the promotion period or they will be date specific.

On-Going:

Window Decorating Contest – Merchants Island Wide invited to Register and Participate – Residents/Visitors to vote for favorite Window Display. Merchants capturing top votes win cash prizes.

Freedom Days Passport – Residents/Visitors who visit 10 shops are entered in a drawing for a grand prize, one prize for Galveston Island Resident, one prize for Visitor.

Weekend Activations:

June 25th – 26th

Sandcastle Building Competitions – Saturday/Sunday activations along the Seawall. Create 6 activation Zones for the promotion. On Saturday afternoon (3-ish) the competition will begin. Each zone will have one Sandcastle Building Instructor who will lead the Amateur Build contest. Participants will include family/friend's groups and interested island business groups (max 8 ppl per team). Instructor will provide initial training and tips, will offer advice throughout the 4-hour build. Castles are voted on by Beach Goers via a QR Code Sign with link to VisitGalveston.com.

On Sunday morning, the 6 Instructors will compete in a Sandcastle Building competition with a support team of their choice (max 8ppl per team) beginning at 9am. Castles are voted on by Beach Goers via a QR Code Sign with link to VisitGalveston.com.

Music on the Sand – Small music groups will perform Saturday and Sunday at the Sandcastle Build Sites. The music will be of various genre, primarily beach, acoustic, country. On Saturday from 3pm – 8pm and on Sunday from 9am – 2pm

July 2nd – July 4th

Parade Island – Promote a series of parades across the island...everyone loves a parade. These will be strategically timed to ensure no overlap. The 5 parade focuses (participants) include:

Marine Corp League July 4th Parade

Umbrella Brigade (Patriotic)

Golf Carts

Wagons, Trikes and Bikes

Vintage Cars/Motorcycles

Beach Volleyball Tournament – Explore the opportunity to bring a large 1-2 day Beach Volleyball Tournament to the Island.

Music on the Sand – Small music groups will perform Saturday, Sunday, and Monday (3pm – 8pm daily) along the Seawall at the 6 Sandcastle Build Sites established the week prior. The music will be of various genre, primarily beach, acoustic, country.

Tourism Action Plan - Tourism Development Advisory Committee - 2021-2022

The Tourism Development Advisory Committee (TDAC) of the Park Board of Trustees of the City of Galveston helps to inform and direct Visit Galveston (CVB) to achieve the goals and objectives outlined in the annual Business Plan. In addition to looking for new and creative ways to identify and attraction highly 'engaged visitors' to the island, the CVB Team will focus on numerous initiatives throughout the year. These include product and market research, brand promotion, new creative development, niche market promotions, taskforce activation in key expanding markets, website development, content creation, and Visitor Center services expansion. The Business Plan goals identify opportunities to attract new and targeted business to the island, to fill need periods for the destination, all the while creating strong brand ambassadors who will help to promote the island experience to family and friends. As the third largest employer on the island, the tourism and hospitality industry play an important role in driving positive economic impact. But the most important market of success for TDAC and the CVB Team, is to build and strengthen Galveston's vibrant community, ensuring that the island is a fantastic place to live for our residents, and in turn, an amazing place to visit!

- Promote visual and performing arts offerings
- Promote birding and fishing during shoulder seasons
